

“... we are being invited into a new future.
It is time to let go of everything we are clinging to
because whatever we possess divides us.
'Love alone can bring us to the threshold of a
universe,' Teilhard said.

"It is time to let go into love."

Over these days we will explore our own drops of experience to discover a Christ-soaked world. This retreat is based on Richard Rohr's book – 'The Universal Christ'.

"This is our mission – to witness another way of living so that 'All shall be well, and all manner of thing shall be well.'"

"For we are so preciously loved by God that we cannot even comprehend it" (Julian of Norwich).

We are called to live between the reality of what has been in the past and what could be in a good future. Then we will be people of prophetic hope sharing in the one paschal story of all of creation."
